

# COMMUNITY MAGAZINE SE20

THE INDEPENDENT DIRECTORY SERVING THE RESIDENTS OF ANERLEY & PENGE

## In a restaurant far far away (definitely not in SE20 anyway!)

Hope you are all well and enjoying the weather! This month we're keen to hear from businesses in three quite different areas. So please spread the word!!

### *Yum!*

There are lots of wonderful places to eat in SE20; so the July issue of the magazine is going to have a 'dining' theme. It would be great to feature as many of our local eateries as possible and to showcase the range of styles and cuisines on offer. We already have a few restaurants signed up but if you serve food or drinks or perhaps can offer the option to eat outside then we'd love to hear from you!

### *Glam!*

I hesitate to mention the lovely weather in case I scare it off but those of us who like to show off our toes are actually getting value from our sandals this year!!! So I'd also like to hear from nail technicians and

beauty therapists.

## *Eek! Is it that time of year already?*

And finally, Kids!!!! Not long until the school holidays (sorry!) and everyone is desperate for entertainment ideas so if you're running a club or activity then please get in touch. And thinking even further ahead - schools, pre-schools and nurseries with places to fill or Open Days - SE20 is a great place to advertise.

Please [drop us a line](#) if you like to be part of the July magazine.

Kind regards

*Belinda & Ellie*

## **It's here to stay**

Whether you love or hate it, social media is here to stay. And, for businesses, it's a fabulously fast and cost effective way to promote what you do and get your name in front of customers that you wouldn't normally reach.

But it takes time. And that can be in short supply when you run your own business. So, if you have no interest in Instagram, no time for Twitter or no feel for Facebook then why not hand it over to us?

We love all things social media and we currently manage Twitter and Facebook profiles for a growing stable of local businesses – many of whom have gained new customers as a result.

From setting up accounts from scratch or taking over existing ones and boosting profiles - we can do it all. First we learn about your business and then we post and interact on your behalf. And it's really affordable too!
