

Dreamer

Here we are again with the help of this wonderful publication to spread a bit of the creativity appearing all around SE20 and we thought this month we would take a look at one of the recent newly painted artworks placed up around Penge and Anerley now that the latest lockdown restrictions have begun to ease. We have been fortunate to see a lovely little spate of fresh creations appear over the last couple of months, with a number of now regularly visiting artists returning to the area to share their talent and enrich the area with their talents. However the work we are sharing with you now was created by an artist visiting SE20 for the first time to share their talents.

The work we are looking at is by Sophie Mess and titled Dreamer, which was recently placed up in Southey Street on the run of walls alongside Bella Luna.

Through her artistic output Sophie Mess sets to create vibrant botanical inspired creations, bringing the colourful beauty of nature to the urban landscape, transforming spaces and inspiring positivity with her work.

Which she has certainly achieved with her fresh addition to Southey Street with this striking work comprising such richly coloured flowers and striking typography. Certainly a lovely piece and one we could stare at all day long, truly captivating.

We would as always wish to say thank you to everyone involved over the last five years supporting this project, who have all helped transform the face of Penge and Anerley in to the wonderful creative hub we all get to explore and enjoy now! In this instance, thank you to the owners of Bella Luna for allowing Sophie to paint their wall. As well as a big thank you to Sophie Mess for taking the time to visit our hometown and leaving such a fabulous artwork in the process. As always if anyone wishes to participate and support the project further by offering up their public spaces, please email callinglondoninfo@gmail.com or visit www.pengestreetart.com where you can register your interest in donating a public space to paint and we will get back to you.
