High demand at Signature at Beckenham – a care community like no other

Since officially opening its doors in October, Signature at Beckenham has enjoyed high levels of demand, with residents and their families attracted to the industry-leading accommodation, luxurious five star amenities, technology and care which provide total peace of mind.

The spectacular new purpose-built care home offers Signature's award-winning assisted living, dementia, nursing and respite care, all tailored to individual needs. The home features 100 private apartments across three floors, including 24 purpose-built apartments for residents living with dementia.

Inspired by the vibrant community feel of Beckenham, Signature at Beckenham has been uniquely designed with a grand Village Hall for community events, complemented by a wealth of outstanding lifestyle facilities akin to the world's finest hotels to provide a truly balanced lifestyle.

This includes a fine dining restaurant with private dining room, relaxed bistro, boutique cinema, hair salon and therapy room, library and manicured gardens.

Events and activities are a key part of life at the home, which recently hosted a festive market for residents and the local community. A range of over 15 local businesses and charities exhibited in the Village Hall with everything from jewellery to beauty goods, cakes and more.

The Signature at Beckenham team is led by General Manager Maggie Middleton, a registered nurse who brings a wealth of senior management experience as a nurse and director in the NHS as well as the private healthcare sector. She was previously at Signature's successful Parklands Manor in Chertsey and is also a specialist advisor for the CQC.

Courtney Moncur, Client Liaison Manager at the home, comments: "Signature at Beckenham exemplifies our vision to deliver exceptional care in a stunning purpose-built new community. We're delighted to have our first residents in and look forward to welcoming more in the New Year."
