

OUR SCHOOL GROUNDS WILL INCLUDE SOON
A MINI FOREST SCHOOL THANKS TO THE
KIND SUPPORT AND INITIATIVES OF TREE
COUNCIL, NETWORK RAIL, OUR LOCAL
COMMUNITY AND FRIENDS.

St Cyprian's is a happy and friendly school. We encourage our boys and girls to express themselves confidently. We strive to develop a passion for learning which is driven by high quality teaching. St Cyprian's offers a **WORLD LEADING MATHS CURRICULUM**, a **BOOK BASED** approach to teaching English, studying authors such as Dickens, Shakespeare and Homer. All our teachers will stretch, challenge and support in equal measure, our **CHILD CENTRED** way of teaching enables the children to "enjoy the challenge" and to "set the bar high".

More importantly, this all happens within a Christian ethos of respect, kindness and responsibility

Our curriculum is supported by a huge programme of educational visits and specialist teachers for **MUSIC, DANCE, PE and GREEK** language lessons, as well as, our learning for life programme which includes philosophy for children and forest education.

Please contact us to book a private tour to see our school.
