

COMMUNITY MAGAZINE SE20

THE INDEPENDENT DIRECTORY SERVING THE RESIDENTS OF ANERLEY & PENGE

Media Pack

Benefits to advertisers

- Dozens of new people move into the SE20 area EVERY WEEK. In many cases they are totally new to the area and have no local knowledge. They are looking for guidance and the Magazine offers the perfect opportunity for businesses to advertise themselves in front of these new potential customers.
- **It works.** The Magazine is very widely read and used by the residents of the area. Most of our advertisers appear month after month – because the Magazine works and generates business for them.
- **Price.** The Magazine represents incredible value if your target market includes the residents of SE20. **You can get coverage for 12 issues for less than the cost of one week in the free Newspapers**
- **It is truly local.** All advertisers operate in or close to the area. There is strong evidence that truly local services are preferred by the majority of the UK population.
- **Longevity** – it isn't thrown away each week like a local newspaper. People keep it as a reference for the whole month.
- **No VAT.** The price you see is the price you pay – unlike most publications where an extra 17.5% is added to the bill. This is because we are a small independently run business.
- **Quality.** The Magazine has a very high standard of print and production. All artwork is professionally finished to ensure that you look your best and that your company is proud to be featured and associated with a high quality publication.
- **Environmentally Friendly.** We are very aware of the need to look after our environment. Consequently, we use an environmentally friendly printer, this allows us to produce the magazine using vegetable based ink and print onto recycled paper or paper from sustainable sources.
- **Editorial opportunities.** Advertisers can be featured in their own two-page editorial spread. This gives them a depth of coverage that is normally only available at huge expense in other publications.
- The Magazine represents a most effective way for business's serving the local area to market themselves to the residents of the area.
