

DIGITAL SUPPORT IN THE COMMUNITY

ClearCommunityWeb help people feel more confident and comfortable with technology through classes, workshops and individual support. We guide and support people to become more independent, more confident and to reduce anxiety.

Working with all groups and people in need, we do have a focus on older people, vulnerable adults and carers across South London.

We launched in 2019 working from the Upper Norwood Library and now work across South London and since January 2022 have run a programme at Anerley Town Hall.

“Patient, down to earth and practical. It’s been brilliant, and has built my confidence with dyslexia.”

Every Monday we run a weekly drop-in, alongside the Citizens Advice Bureau, where local residents can come and get individual question answered, problems solved or to quietly practice in an informal and social setting.

If you need more specific support to upload documents or completing online applications we can help with that as well.

We also run a programme of community learning courses on Wednesdays which run for 6 weeks each block. These are an opportunity to building some foundation skills or to fill in some gaps on knowledge or confidence.

Connect Up’ (From 11th January) and ‘Getting more from Google’ (From 1st March)

We start 2023 with our two popular courses ‘

“I found the course immensely helpful. It clarified a number of areas of confusion for me, and gave me tools to solve future problems.”

We also run off workshops and social events, including our Mobile Phone Boot Camps and from next year will launch out Online Safety Surgeries so there is plenty for everyone!

We provide more specialised support for disabled residents and carers and are looking forward to delivering dedicated sessions with Bromley Mencap at the Station Road building.

“These workshops are useful for everyone. You will always leave with something you didn’t know. The delivery and explanations are clear and concise and the environment is friendly and relaxed. I highly recommend these whatever your level.”

If you know someone that would benefit from this programme, please get in touch. We are also always looking for volunteers so if you have a few hours to spare. We have a range of different roles.

**Schedule Mondays 11.00-13.00 Drop-In (Anerley Town Hall)
Wednesdays 14.00-16.00 Community Courses (Anerley Town Hall)**
